

Art Handling Workshop

San Francisco Museum of Modern Art

November 20, 2009

This all day workshop is geared towards museum and other professionals concerned with the safe handling of artworks and artifacts. Areas of focus will include: The basics of handling practices in regard to installations, packing, and storage; handling requirements of objects on loan with emphasis on technical and material requirements of each topical area; job descriptions; and educational opportunities. Training will also be presented on how to build and/or expand staff in any collection-based program.

Organized by Packing, Art Handling & Crating Information Network and the Registrar Committee Western Region.

Full workshop information and registration form will be available on their websites in September 2009.
